INFORMATION DISCLOSURE STATEMENT
(37 C.F.R. \$1.97(b)(2))

Sir:

This information disclosure statement is being filed within three months of the date of entry of the national stage as set forth in \$1.491 in an international application.

The following information is being disclosed to the Patent and Trademark Office as information that may be material to the examination of the above-identified patent application.

The above-identified patent application has a counter part PCT patent application No. PCT/IB2002/004733. Applicant's attorney encloses a copy of an International Search Report issued for the counter part application. The International Search Report cites several references, listed below, that are being disclosed to the Patent and Trademark Office as information that may be material to the examination of the above-identified patent application.
